**INDUSTRY INNOVATION
THE POSITRACK HEAVY DUTY
STEEL BELT CONVEYOR
'THE BEAST' BY HANNA**

- Plated chain • Large heavy-duty sprocket
 - Easy loading and off loading from Positrack conveyor • Stainless Steel drip pans to channel the mud and water toward the drain
 - 2" tall UHMW hockey puck to push the vehicle off the conveyor • Designed to fit existing 21" deep conveyor pit subject to certain specification • Less maintenance than a plastic belt conveyor since the vehicle is not being dragged by a plastic belt on a wear plate
